Ready for all weathers!

Welcome, to MOE

We are specialists in supplying timber educational equipment to learning providers across the country, with every piece of our products being sustainably produced and crafted to the upmost standard.

Designed by Teachers, Education Advisors, and Woodworking Artisans, our products focus on accentuating and aiding the natural developmental benefits of outdoor teaching. All the products we provide can be linked to the EYFS learning and development methodology in one or often several ways.

We are proud to directly supply to nurseries, schools and similar educational establishments as well as collaborating closely with unique customers to help them deliver superior outdoor educational experiences for their children and their premises.

We look forward to helping you too to create an outstanding outdoors experience.
